

RECYCLING COLLECTION SERVICE

Monterey Park residential trash service includes recycling services. Residential customers receive a 95-gallon cart for FREE. Additional recycling containers or capacity are available at no additional charge.

WHY RECYCLE?

Recycling not only helps you reduce the amount of material that is placed in your trash container but it also protects the environment and your local community. Recycling helps conserve resources and energy, and preserves valuable landfill space.

Recycling one ton of Aluminum:
Saves 14,000 kWh of energy
Saves 10 cubic yards of landfill space

Recycling one ton of cardboard:
Saves 390 kWh of energy
Saves 1.1 barrels (46 gallons) of oil

Recycling one ton of glass:
Saves 42 kWh of energy
Saves 2 cubic yards of landfill space

HOW TO RECYCLE?

Place all accepted recyclable materials into the recycling container provided by WARE Disposal. Make sure that your materials are clean and dry. A complete list of acceptable materials is attached.
